

Cumulus Encrypted Storage System

CESS Course Week 4 - Episode 8

Running a Consensus Miner

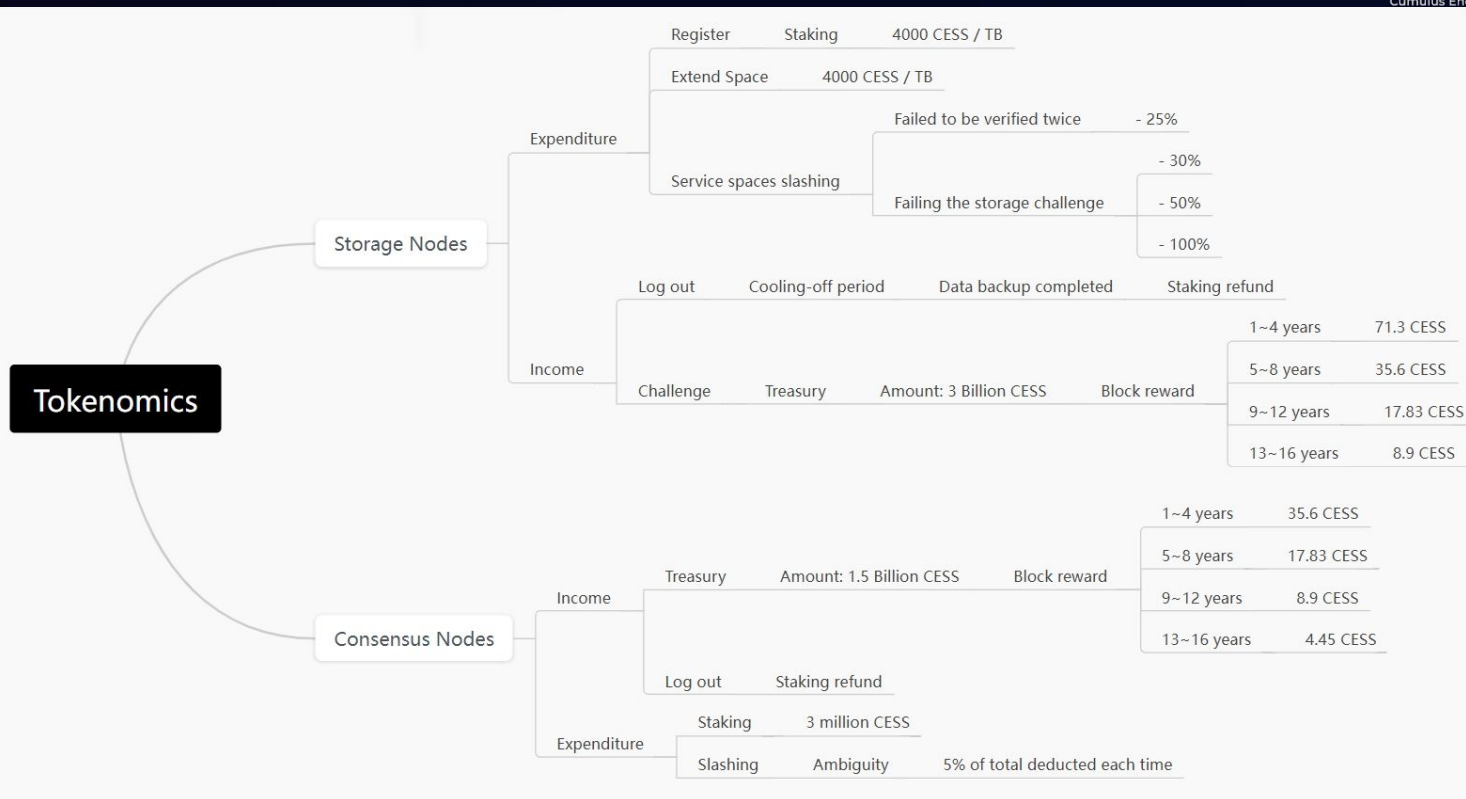

CESS Official Website

Reward Mechanism

Cumulus Encrypted Storage System

Slashing Mechanism

- No Response
 - Fails to produce blocks
- Grandpa Ambiguity
 - Validators signing two or more votes for different blocks in the same round.
- BABE Ambiguity
 - Validators producing two or more blocks in the same slot.

In either case, the Consensus miners are penalized.
